

Alp Bench - 180 cm

Alp

Alp is designed by the Spanish design duo, Ramos Bassols, and is an exclusive series of dining tables and benches. The designers wanted to bring notice to subtlety allowing the stringent and graphic lines to take centre stage and offer the viewer an almost picturesque outset. All designs are crafted from FSC-certified wood with an understated and natural expression pointed out by the clean and architectural contours, crafted details and blunt yet delicate design language guaranteed to overwhelm even the most critical eye. Detail by detail.
