

EDEN

Chair
Art. no.: 2-361

Description:

Refreshingly new, with stitching inspired by sports cars, combined with classic virtues in the form of a stylish wooden frame. The main features of this spacious chair are a soft and very comfortable seat and backrest that allow for various seating positions. The design builds a bridge between many elements, such as the soft and the masculine, innovation and tradition, and private and public spaces.

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
