Scandinavian Design.

Wave can extend as far as you like, simply attach more hangers.

Nanni Holén's organic design turns a hanger into something more, as well as creating a pattern of pointing shadows. The Wave hanger consists of two pieces cut from the same piece of metal, producing practically no waste material; one part being the other's negative shape.

Specifications

Material	Lacquered metal. One set includes two pieces.
Weight	1.1 kg (2.4 lbs)
