

Story Bar Table

Story

Story is an elegant series of handmade side, coffee and bar tables. Each design features the distinctively airy front formed by the elegant wooden columns. Transparent enough to show off your favourite items or just covered enough to conceal them behind the playful front. The designers behind it, Anna Karnov & Clara Mahler, wanted to create a long-lasting design that meets changing needs and wishes. Emphasised by quality craftsmanship and the natural oak that changes character over the years and makes each table unique with its own original and beautiful story. The tables are made of FSC-certified wood and each table is assembled with six bolts that are creatively hidden from the naked eye.
