Satellite table
Art. no.: 2-813

Description:

Useful dynamic table

This small and charming satellite table is extremely useful in any setting. The design makes it possible to position it over the seat of a chair or a sofa and comes in handy for your coffee mug, iPad or book. The table also works great as an organizing table in the hall or as a bedside table in the bedroom. The springy legs and energetic design creates a positive feel and a stylish look in any room.

Year of design: 2012

Function:

Its shape makes it possible to position it in over the seats of chairs or sofas.

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
