

MONDAY

Table
Art. no.: 2-294

Description:

A balance act

MONDAY is a versatile sofa/side table that can be used individually, but works even better in combinations of two or more. The design of the table is simple and elegant with a leg frame resembling how water lilies and plates balance. The unique construction makes MONDAY an interesting design item in itself, as well as a practical piece of furniture.

Year of design: 2013

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
