

LAZY

Sofa
Art. no.: 2-298

Description:

A new and simple principle

The intelligent design of LAZY is a result of a new and innovative way of thinking. The backrest of the sofa flips backwards in a single movement and becomes a part of the bed. With the light, vivid form and simple construction, LAZY looks both classic and modern.

Year of design: 2013

Design: Andreas Lund

Andreas Lund graduated from the Danish Design School in 2000. He has a studio in the centre of Copenhagen and has designed furniture and products for many Danish design companies, including Normann Copenhagen, Illums Bolighus and SOFTLINE. He teaches at the Danish Design School.

"For me design is a harmonious meeting between form and function, body and object. My ambition is to create quality everyday products with a personal, simple, graphic and classic look."
