A new Classic

An iconic new armchair for relaxation, contemplation and admiration is here. The classic armchair has been given a super-modern makeover with rounded, dynamically designed details that don't compromise on comfort. As the name suggests, this chair stands for comfort and warmth – with or without a cigar. The steel legs come lacquered in white, grey and black or with copper finish.

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
