

Lomi 2 seater sofa

Lomi

German designer Meike Harde's intention with Lomi was to combine distinctive lounge aesthetics with the more rigorous Scandinavian design universe. The result is an elegant series of sofas where the cushions are positioned on a base with no-zag springs that are connected closely together to provide exceptional comfort, further enhanced by the soft filling that naturally adapts to your shape. The legs and frame are precisely positioned to add elegance and lightness to the sofa, while the interior construction in FSC-certified wood and the inviting armrests enhance the design's craftsmanship qualities. Add the matching pouf to create a complete and elegant look.
