

## **Peyote Coffee Table Ø80 x H45 cm**

### **Peyote**

The Peyote coffee table combines natural and elegant elements, with the leaf-shaped base elevating the robust table top, creating an expression that appears floating yet extravagant at the same time. The Peyote coffee table is made of moulded veneer, MDF and plywood, ensuring a long life. Combine the coffee table with a side table in a different colour from the same series, or let the coffee table tell its own beautiful, natural story.
