ORLANDO is a modern swivel chair, which with its simple design has a happy and positive expression. Even though only a minimum of material is used, the chair is surprisingly comfortable. Go discover the special details, for example the back, which is placed inside the seat and the new and provocative upholstery technique. Depending on choice of fabric, ORLANDO can be an elegant relax chair, complementing the sofa group, or the new and different element in a new and modern interior.

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
